SME
Competitiveness

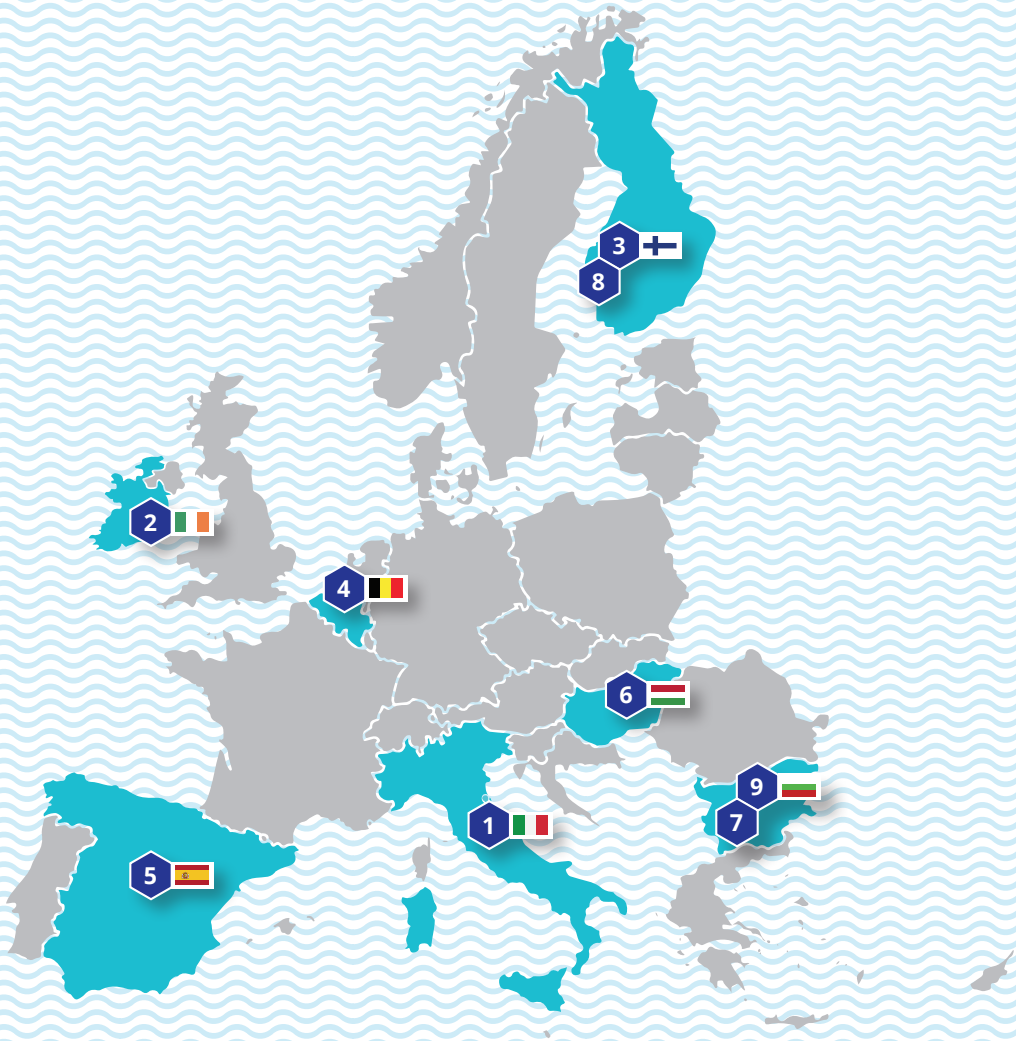

► HOW?

CRAFTS CODE aims to enhance the competitiveness of craft SMEs by developing a framework to stimulate policy learning and build capacity to improve the implementation of regional development policies and programmes. The project will identify the barriers to SMEs working in the craft sector and will improve access to supports for business start-ups, business expansion and higher innovation levels in micro-enterprises.

The **four main topics** addressed by CRAFTS CODE include how to:

1	Improve innovation in business models and process
2	Access new markets
3	Use innovative approaches and tools to modernise the craft sector
4	Access finance
